I am always happy to increase my collection of old time Radio..I will be watching for more options to obtain more programs on your site..hopefully there are two other collections ..Christmas Programs, and War Broadcasts/Programs from Radio spirits sets I hope appear for purchase either cassette or CD...Mike D

My husband and I love sitting quietly and listening to the old radio shows of our youth. It is somehow quieter and more restful than watching TV. It calls on you to use your imagination in the same way that a book requires you to call up mental pictures of the action.I would think anyone who remembers a time with no TV will enjoy this set. Younger people might even enjoy experiencing a different time when families gathered together around the radio and listened to wonderful shows. I would highly recommend it for many hours of entertainment.Shari Lyle-SoffeChildren's Author

It was nice to hear old time radio shows that my parents listened to when they were young. The sound effects were good and the commercials, weil, it was strange to hear beer and cigarette commercials.

My blind friend was delighted when I sent him these radio shows to listen to. There is a nice verity and a lot of fun commercials. This is an excellent way to enjoy entertainment on a rainy day.

Received product in great condition. Also it was delivered on Christmas eve when I wasn't expecting it till after Christmas. I gave it as a gift to my parents and they loved it! They can't wait to listen to them.Thanks Tom!
