Synopsis

Alfred’s Kid’s Ukulele Course is a fun method that teaches kids to play songs on the ukulele right away. This complete edition combines levels 1 and 2 with the activity pages of the Notespeller and includes accompanying online audio, so students always know how the music should sound. Each lesson on every page is explained in plain language that’s easy to understand. Plus, students will learn from three irresistible ukulele experts---a clever classical dog, one cool jazz cat, and a friendly alligator who loves the blues. They point out what’s important on each page and make learning music fun! Parents can be effective guides through this course, even if they’ve never had any musical training themselves. This course can even be used in a classroom at school.
