Synopsis

In the follow up to the New York Times bestseller The Tapper Twins Go to War, the twins' school scavenger hunt turns into a "madcap, uproarious romp around the Big Apple" full of "action, hilarity, and mayhem" (School Library Journal). Geoff Rodkey delivers another pitch-perfect ultra-modern comedy told as oral history with texts, screenshots and smartphone photos. When Claudia initiates a citywide scavenger hunt to raise money for charity, it's not just the twins' opposing teams that run riot. With the whole school racing to trade in sights seen for points to score front row tickets at Madison Square Garden, they may not get to the finish line with their dignity--and social lives--intact!

Gr 4Ã¢â ¬â œ6Ã¢â ¬â •Tapper Twins, Claudia and Reese, are back with another oral history. This time, they are working together, sort of. They need to set the record straight since they and their school, Culvert Prep, were victims of some irresponsible, biased reporting in the local papers. It seems the scavenger hunt, Claudia's brainchild, which raised over $8000 dollars for a local food bank, has been mis-reported. Yes, the scavenger hunt across most of the boroughs of Manhattan brought out the worst in the Culvert Prep students (and some parents) who were competing in it. Yes, it makes Mr. Tapper look like The. Worst. Parent. Ever. Really, all is not as it seems!

EveryoneÃ¢â ¬â •not just native New YorkersÃ¢â ¬â •will enjoy this madcap, uproarious romp around the Big Apple, thanks to the maps and landmarks. As in The Tapper Twins Go to War (with each other) (2015, Little, Brown), the twins' story unfurls here in photos, texts, and interview transcripts. It won't take long for fans of the first installment, or new fans, to drop right into the action, hilarity, and mayhem. Really, where else would readers find one twin locked in a truck headed to New Jersey with half a school mascot and the other twin befriending a paparazzo stalking a pop star, not to mention fisticuffs between rival Times Square Flubbies? This title booktalks itself. VERDICT A definite purchase.Ã¢â ¬â •Brenda Kahn, Tenakill Middle School, Closter, NJ --This text refers to the Audio CD edition.

Praise for The Tapper Twins Tear Up New York:*"The scavenger hunt is a total success, as is the writing style and humor of this story.... Readers who like to laugh aloud will enjoy this book"Ã¢â ¬â ¢School Library Connection, starred review"Everyone-not just native New Yorkers-will enjoy this madcap, uproarious romp around the Big Apple.... It won't take long for fans of the first installment, or new fans, to drop right into the action, hilarity, and mayhem."Ã¢â ¬â ¢School Library Journal

I bought the audio version for a family car trip over spring break and I am so happy with my purchase. I was a little hesitant because the audio version is pricey, but my daughter loves the books. The story however kept everyone engaged. We had 3 generations in the car(Grandmom, mom & daughter) and everyone loved it. It was funny, smart and fast paced. It engaged everyone and was so much better than having everyone plugged in to their own device and not speaking to one another.

The books are small in my opinion bit my 9 yr old boy loves all of the Taper Twin books so Im basing my review on that. He reads them without being told to read.

I liked it, no, LOVED IT! Amazing book, I recommend this to anybody who likes humor, adventure,and mystery! REMEMBER TO READ TAPPER TWINS GO TO WAR!!!!!!!!!!!!(also amazing!)

My daughter very much enjoyed this book. She was 11 when she read it.

Very funny! Dialog is very realistic.

My kids love this series. Laugh out loud.

This story was funny, clever,sweet and fun to read! So many cliff hangers!!! I suggest anyone of any age to read this book! If you read it I hope you enjoy!!! :) :D

Good audio with multiple actors.
