Synopsis

The Zen Cat wall calendar is a meditation in art and words on the sacredness and interconnectedness of all life. Artist and author Nicholas Kirsten-Honshin uses painting and poetry to communicate a message from the pure heart of the universe. In the Honshins own words, here is the story as it happened: While I was quietly reading the Lotus Sutra, the Original Zen Cat, Miss Kitty, climbed onto my lap. As I continued to read, I became aware that her mind and mine were becoming one. She wanted me to read aloud to her. So I did. There she sat in meditation focused on the teachings as I read. Her appreciation and obvious understanding opened my own mind and heart to the oneness that exists, connecting all living beings in the gentle love and compassion that is in every precious moment.

Over the years, I've had every variation of cat calendar and every size - hanging and desktop.This mini is my favorite, hands down. All the great, same vivid colors and zen motif of the big one but in a more compact form that fits on my wallboard next to my desk. Still has plenty of room to jot down appts. for the respective day/date.

Arrived early and in pristine condition. First time ordering this calendar, and am delighted with the imagery and feel of the calendar. Each month is a little different, and speaks to the potential we all have. Looking forward to using thorughout the year.

How do you not smile at a Zen kitty? I am one with the catnip bush. Absolutely will tell friends

This was a gift for a friend and she loved it. The size of the calendar is perfect because it doesn't take up much room

This is a beautiful calendar. The size is perfect for me and the illustrations and words are a blessing. Really.

Really nice sayings to remind me monthly.

I received this mini-calendar as a gift and I find every month a joy. Each picture is graphically perfect--cute without being cloying.
