Barbara C. Ellis is a public school curriculum specialist working in the New York City school system and former chair of UNICEF's Day of the African Child.Chris Welles Feder has spent a great part of her life working in the field of education and is known to many as a writer for the children's educational series Brain Quest. She lives with her husband in New York City.

We take it on trips with us and ask the kids questions in an environment where they can't leave the room. However, it should say for teen agers because there is no way a nine year old would know those answers

My 12 year old loves this!

Great Information! Everyone loved it!

This is a wonderful aide in teaching kids about black history. Excellent!!!.

Great wealth of knowledge. The packing was just the right size and my kiddos has enjoyed reading and learning!

A 11th grade high school english teacher recommend Brain Quest for my 10 year old son. My son loves playing triva questions with the family, me and my husband have learned a great deal as well.

Must buy for everyone to increase their knowledge of black history. Leave it out on your coffee table.

This was great for my son.
