Synopsis

THE NEW YORK TIMES BESTSELLERLucas DavenportÃ¢â ¬â„¢s first case as a U.S. Marshal sends him into uncharted territory in the thrilling new novel in the #1 New York Times-bestselling series.The man was smart and he didnÃ¢â ¬â„¢t mind killing people. Welcome to the big leagues, Davenport.Ã Â Thanks to some very influential people whose lives he saved, Lucas is no longer working for the Minnesota Bureau of Criminal Apprehension, but for the U.S. Marshals Service, and with unusual scope. He gets to pick his own cases, whatever they are, wherever they lead him.And where theyÃ¢â ¬â„¢ve led him this time is into real trouble. A Biloxi, Mississippi, drug-cartel counting house gets robbed, and suitcases full of cash disappear, leaving behind five bodies, including that of a six-year-old girl. Davenport takes the case, which quickly spirals out of control, as cartel assassins, including a torturer known as the Ã¢â ¬Å“Queen of home-improvement toolsÃ¢â ¬Â• compete with Davenport to find the Dixie Hicks shooters who knocked over the counting house. Things get ugly real fast, and neither the cartel killers nor the holdup men give a damn about whose lives Davenport might have saved; to them, heÃ¢â ¬â„¢s just another large target.Filled with his trademark razor-sharp plotting and some of the best characters in suspense fiction, Golden Prey is further reason why Ã¢â ¬Å“Sandford has always been at the top of any list of great mystery writersÃ¢â ¬Â• (The Huffington Post).

Customer Reviews

John Sandford is the pseudonym for the Pulitzer PrizeÃ¢â ¬â œwinning journalist John Camp. He

is the author of twenty-seven Prey novels; four Kidd novels; nine Virgil Flowers novels; three YA novels coauthored with his wife, Michele Cook; and three other books, most recently Saturn Run.

JUST A GREAT BOOK, I WISH HE COULD PUT ONE OUT WEEKLY, HIS BOOKS START RIGHT OUT OF THE GATE AND GET BETTER ALONG THE WAY , OTHER AUTHORS YOU HAVE TO GET TO THE 4 CD TO PAY ATTITION

One of the best of the Prey series. Those who love Lucas Davenport will thrill to the continuation of this character. You will cheat yourself,if you pass this one by, Tied up all the loose ends.

I enjoy Sandford and have read all his book in this series, but this seems full of gratuitous violence. The main character even seems much less human as he returns to "work" as a federal Marshall who needs to hunt to satisfy a need rather than save people. Perhaps it is a statement about a loss of humanity that happens to some in law enforcement.

love this author and this is a really good book

Another great book by John Sanford, full of action and interesting characters. Typical Lucas and looking forward the next one.

we love, love, John Sandford books and always have them for road trips!!! Thanks, John, for entertaining us

I love John Sanford books, especially Lucas Davenport books. Richard Ferrone is a great narrator.

Great
