David Lapham is an American comic book writer, artist, and cartoonist, best known for his work on the independent comic book, Stray Bullets.

We find out in this volume the fate of humanity with a few surprises. Deep intrigue, booby traps, and quarter where none is expected. If you’ve read this far, you won’t be disappointed.

If you liked THE STRAIN novels, or the wonderful television adaptation, you’ll love this graphic novel series. It’s the story we love, but with some new twists and turns.
