Customer Reviews

Nancy Mahoney shares 2 appliquÃƒÂ© techniques to make the awesome circular quilts in her new book Simple Circles and Quick Curves. The 8 patterns included are ideal for using fat quarters, fat eighths, precut strips or a variety of colorful scraps from your stash. --Quiltmaker Magazine, March/April 2014Nancy Mahoney’s Simple Circles and Quick Curves: Machine AppliquÃƒÂ© the Easy Way provides a fine collection of curved-appliquÃƒÂ© designs and teaches fusible and starch appliquÃƒÂ© techniques especially useful to any newcomer to using appliquÃƒÂ©. From using precuts or cuts from a stash to following patterns and making different blocks, this is a fine survey packed with tips and techniques perfect for any newcomer to machine appliquÃƒÂ©. --Midwest Book Review, February 2014Love the look of curved piecing but not the pinning and matching required? Author and designer Nancy Mahoney shows quilters how to cleverly create that same

dynamic look using easy machine appliquÃƒÂ©. Choose from eight scrappy quilt patterns. Use convenient fat quarters, fat eighths, and precut strips-or piece from your stash! --Quilt-It Today Magazine, March/April 2014If you like the look of curved piecing, but don’t want to take the time to do it, this book is for you. Nancy shows how to create the same look using two different methods of machine appliquÃƒÂ©. Eight new lap quilts combining piecing and appliquÃƒÂ© are sure to inspire your creativity and reduce your fabric stash... or send you straight to the fabric store! --Fons & Porter’s Love of Quilting, March/April 2014 Nancy’s new book Simple Circles and Quick Curves -- Machine AppliquÃƒÂ© the Easy Way is Nancy’s 13th book she has written with Martingale. Take your appliquÃƒÂ© to a new level by using it to create lovely stash busting scrappy quilts. All quilters face the challenge of piecing curves and circles but there are times that challenge can be a bit daunting. Nancy, faced with many of the same issues, has devised a way to use starch appliquÃƒÂ© with heat-resistant plastic templates, invisible thread and a tiny machine blanket stitch to create the look of curves and circles without any of the headaches. Instructions for both fusible appliquÃƒÂ© and starch appliquÃƒÂ© done with a machine are clearly written with good illustrations. There are eight quilt projects included in the book. --The Applique Society Newsletter, March/April 2014

Create eight scrappy quilts featuring curved-appliquÃƒÂ© designs! Learn two machine-appliquÃƒÂ© methods: fusible appliquÃƒÂ© and starch appliquÃƒÂ©. Use convenient precuts or scraps from your stash.

A friend let me know where I could find a pattern for a quilt that I wanted to make. I am happy that I bought this book. Price was good, shopping fast, and I have the quilt pattern I needes

I love the look of circles and curves but was always afraid of the sewing involved. Nancy describes a very easy, straightforward technique to machine applique the circles. Her quilts are vibrant and graphic and now I just have to decide which one to make first!

I chose this book for the circular effects and because I really like Nancy Mahoney’s work. I would recommend this to those who don’t like sewing curves.

Love several patterns.Lots of patterns to help me use up my scraps. Cannot wait to start first project with my scraps.

Not quiet clear enough for my very low skill level.

I just need to find the time to make something beautiful!

Great and easy to follow instructions

Nancy has done it again with her "user freindly patterns"! The directions are clear and easy to follow. The "True Colors" pattern teaches how to chose colors to change the "mood" quilts. Her "tips" for each pattern are very helpful and it is like she is right there with me as I sew. This is a good book for beginners as well as intermediate and advanded quilters looking for a challenge. Thanks Nancy for taking the fear out of sewing curves and circles. If you love to quilt with curves and circle this is definitely the book for you!
