I Got this book as A gift and it beats my Expectation. There are 40 Plus One Beautiful Designs of Cocks lol, These Designs are well Drawn, Creative and Original. There are pictures of flying Cocks, butterfly cocks, D*ckheads, Snail Cocks etc and they are all witty and hilarious AF. There are 21 Illustrations printed on white while the Rest are on Black. They Are all Printed on One Side of the Page to Avoid Bleed-through, The Black pages makes the colors to stand out. This is Adult Theme Book, and I will Always color them in my lone time, this book isn't so nasty , it's just funny.I love this book and Will Order More as Gift for my friends. Also Great For Coloring Parties too. Highly Recommended

It's pretty cool. Was a little disappointed I thought it was all different pictures. Turned out to be about 18 pages with white back round and those same ones again with black. Still pretty awesome.
