Lani Temple is a designer, author, demonstrator and marketing consultant.

A delightful variety of uses for colored paper, etc. and providing fun, thoughtful cards/gifts for family, friends on many occacions.

I’m not very good at Origami but these patterns/directions look easy to accomplish.....great for cards, tags.....nice personal touch - can easily change for season based on paper used.

Simple papercraft Thank you!

I was excited to find this booklet and am happy with it in general. The instructions are a little difficult to follow; not enough detail information, but in general, I totally LOVE this booklet.
