Synopsis

Today’s job market is moving rapidly, and those who succeed are those who have a strategy. Your skills, interests, personality and values all play an important role in your career choice. Career Planning & Networking provides you with the tools you need to advance yourself and your career to the next level. Developing the tactics for self-assessment, job searching and networking will give you the edge over the competition and begin your journey down the path to success. Career Planning & Networking is one title in the Professional Development Series by South-Western. This series is the perfect resource for learning the non-technical strategies and tactics needed to compete in today’s business world.
