Stephen Huneck (1948Ã¢â ¬â œ2010) was the bestselling, award-winning author of seven previous Sally adventures and an internationally acclaimed painter, sculptor, and printmaker.His artwork is in the collections of the American Folk Art Museum and the Smithsonian American Art Museum. He lived with his wife, Gwen, and their four dogs in St. Johnsbury, Vermont, near Dog Mountain, where his Dog Chapel is located. HuneckÃ¢â ¬â„¢s own dog Sally was the inspiration for these books.

The Sally books are really wonderful for dog loving children. They are simple and most follow the same general activity theme. A nice addition to the collection.

Stephen Huneck's picture books are all wonderful. This is a nice toddler version.

Sally’s a lovable character enjoying some winter fun! My 2-year old grandson enjoyed the book and asked for it to be re-read to him.
