Customer Reviews

So many great songs, good arrangements, not too difficult for my intermediate (at best) piano skills. I'm very pleased with this purchase and enjoy playing and singing and performing songs from this collection.

Great music although lots of changing keys. It is possible though to play them. The people I have played them for are of the Evangelical background. Even though I am not, I still enjoyed the music. I am working with people with dementia and/or early Alzheimers.minks

Very lovely arrangements! I've never been disappointed by Carol Tournquist's tasteful talent. Rich-sounding without being frustrating. I highly recommend this.

Great songs

Just what I was looking for!

I am having a lot of fun with these. Very creative arrangements. I am intermediate and these are challenging but doable.

Gave three stars only because just the music is in the book, no lyrics.

The arrangements are contemporary and beautiful. I have really enjoyed playing the pieces in this book and using it for church services.
