This is my first coloring book purchased by the author Abby Taylor. I was originally introduced to her artwork and coloring books through a group on social media where she was sharing her art and encouraging the members of the group to color her work. I thought her pages were fun to color and a great way to relieve stress after a tough day at the office.The drawings that Abby created are fun to color and range from being very easy to slightly more challenging. Her drawings arenÃƒÂ¢Ã â ¬Ã â„¢t intricate likeÃ Â The Time Chamber: A Magical Story and Coloring Book (Time Adult Coloring Books), but some do have small repetitive shapes. I like to have a variety a difficulty in a coloring book because it allows me to color based on my mood. Sometimes I want to spend a lot of time coloring and being very detailed and other times I just want to color without using a lot of brain power.The monsters in this book are really cute! They remind me of monsters that might be friends with the Minions not from a Stephen King book. The swear words and phrases in the book are phrases that often come out of my mouth and there is only one that I feel is overly British. Our friends across The Pond like to use the ÃƒÂ¢Ã â ¬Ã Å“CÃƒÂ¢Ã â ¬Ã Â• word while many Americans find the term offensive. The word doesnÃƒÂ¢Ã â ¬Ã â„¢t offend me, but I

personally am not a fan of the word in any form even when itÃƒÂ¢Ã â ¬Ã â„¢s attached to a muffin and super cute monsters. It probably has to do with my upbringing.I started off with the first page of the book and used some of my favorite oil based colored pencils,48 Coloring Pencil Set, Deluxe Anti-Break for Adult coloring: Long-Life Vibrant Colors, Beginner Friendly 100% Unique Tones, No Repeats. Perfect for Artists & Kids too. Smudge + Stress Free Design.. The color from the colored pencils laid on the page very well. Using oil based pencils made the shading process easy and looks great on the page! The other pages that I have colored so far were done using gel pensÃ Â Gel Pens / 24 Assorted Coloring Pens/ Glitzy Glitter, Soft Pastel, and Glowing Neon/ 24 Gel Marker Refills Included. The gel adhered to the page and did not bleed through the paper which is always a concern that I have.I donÃƒÂ¢Ã â ¬Ã â„¢t care that the pages arenÃƒÂ¢Ã â ¬Ã â„¢t perforated because I donÃƒÂ¢Ã â ¬Ã â„¢t tear pages out of my coloring books. The pages are already printed single side which is great! The only thing I would change about this book is the ability to choose spiral binding for an additional charge. If you view my photos, you will see that I mangle my coloring books that arenÃƒÂ¢Ã â ¬Ã â„¢t spiral bound and this book no longer will lay flat because I need to fold it back and in half to color. I call it the left handed struggle. :)I would recommend this coloring book to anyone who would like to color cute monsters and swear a little bit! I hope that this review helps you with your decision to purchase. If you did find this review helpful, please click ÃƒÂ¢Ã â ¬Ã Å“YesÃƒÂ¢Ã â ¬Ã Â• on the voting buttons below.

LOVE this book! Every page is fun and creative. Lots of possibilities for coloring. Great for those that don’t like detail heavy pieces and just want to have fun.

I have the first one, so of course I just had to have the 2nd one!! The pages are funny and not too intricate that coloring them takes days! Abby definitely has a hit series on her hands!

I am new to the adult coloring world but have fallen in love with it! Love the snark!

Abby has done it again!!!! Love it!

abby did a great job on this book the art is wonderful and the saying are great

Not terribly interesting. A little too simplistic.

I could not order this book fast enough, and absolutely adore Abby Taylor’s artistry. Easy to color and always the right word or phrase just when I need to get it out of my system...and it’s a big hit with my friends at Adult Coloring Night as well!
