Customer Reviews

If you are looking for lyrics and music for songs of this era this book would be hard to beat. Many great songs included.

It is exactly what I needed for a program that my students will be singing.

my nephew loved it

I got this for my 13 yr old daughter so we could sit at our piano and play these wonderful songs together. Sometimes I switch over to guitar while we are playing. She enjoys the songs and she also enjoys playing them.

I like the selection of songs and they are not difficult to play. However, not all the songs are written melodically. Some are written as backup for singers.

Great Price for a Very Sharp Bread product. Very well. delivery so quickly. very good. my family ,
