Customer Reviews

I was looking for a blank music sheet notebook for my 11yr old daughter for her violin lessons. She picked this one herself so I went ahead and purchased it. Arrived super quick just in time for her exams. She loved it and is very pleased. Sheets are the perfect thickness so ink won't pass through other side in case she uses ink. (Which she loves). I wish the pages were the same antique color as the cover pages, they are not, but over all its a sturdy and of great quality.

I agree with the other reviews about the lines being small for hand writing the notes, but I write small so that doesn't bother me! It's similar to what you would see in a printed music book.

Perfect for my daughters college classes! Exactly what she needs, beautiful cover (that matches one of her dresses) and the pages are wonderful

has all my musical needsAnd if you need any musical supplies and instruments please use sheet music and manuscript paper is still very relevent all muscians need to keep this going

I should have ordered spiral, but it is still nice.

Very cute covers, the lines are a bit small/ close together for younger musicians.

A gift - they loved it.

My daughter is going to love this!!
