Synopsis

Alongside the nostalgic appeal of Route 66 lurk ghostly roadside hitchhikers, the Goatman of Rolla, amusement park spirits, Civil War dead and the shadows thrown by the mighty Thunderbird. Spanning three hundred dangerously curving miles, the stretch of the Mother Road in Missouri earned the title of "Bloody 66, "? and some of its stopping places are marked by equally grim history. The Lemp Mansion saw family members commit suicide one by one. Springfield's Pythian Castle was an orphanage before becoming a military hospital and housing World War II prisoners of war. Follow Janice Tremeear as she takes a detour down Zombie Road, peers into the matter of the Joplin Spook Light and even stays overnight in Missouri's most haunted locations to discover what makes the Show Me State such a lively place for the dead.

Born in St. Louis, Janice has lived most of her life in Missouri. She is a second-generation dowser. In tune with the paranormal from an early age, she now directs her interest and research into investigating the unknown with her team Route 66 Paranormal Alliance. She has three grown children and four grandchildren. She currently lives in Springfield, Missouri.

It was for my brother and he didn't like it as much as he had anticipated, but still enjoyed it!

This was a gift and the recipientÃƒÂ¢Ã â ¬Ã â was well pleased.

If you enjoy historical folk lore this is the best! The author is great writier! This is a page turner! i

This book had some interesting stories, but I was disappointed in it. The title suggests haunted Rt 66, but not very many stories are about Rt 66 haunting. They are more about things happening on other highways off 66. The stories also lack details. They just seem to be more a hint of hauntings and not a lot of history or story telling. This book is a good reader that doesn't require a lot of attention to keep up with, but if you are looking for ghost stories with more meat to it, this book will be disappointing.
