Synopsis

Observe the life and loves of the Dashwood sisters, Elinor and Marianne, in Sense & Sensibility: A BabyLit Opposites Primer. Learn the difference between big Norland Park and little Barton Cottage, happy Mr. Willoughby and sad Colonel Brandon, while hoping that one day Elinor and Marianne will leave their single days behind them and celebrate worthy marriages.Ã Â Ã Â JENNIFER ADAMS is the author of more than 30 books, including board books in the best-selling BabyLit series which introduce young children to the world of classic literature. Jennifer works as a writer and editor in Salt Lake City, Utah. Visit her website at jennifer-adams.com. Alison Oliver runs Sugar design studio. AlisonÃ¢â ¬â„¢s design portfolio includes everything from logos to packaging and product design for clients such as Chronicle Books, Citibabes, and Aerie, as well as Gibbs Smith. She lives in New York.

I want to like this as we like the Pride and Prejudice primer and Emma primer, but it just doesn't seem to be up to the same level in its pictures.The pictures for many and few can be confusing for a young toddler because the background for "few" is so busy that it looks like there is more going on than on the opposing "many". Married and single can be explained by parents, but it is still a bit abstract for our little one (age 2).Otherwise, the primer is a charming example of opposites found in Sense & Sensibility without any plot.

Not nearly as fun as the Pride and Prejudice story. Seems a lot more simple and doesn't really do the story justice.

This is a great little book for the youngest Sense and Sensibility fans! It has great, colorful illustrations, and the opposites are fun. Although, I'm not sure that some of the opposites would make sense to a young child, as they aren't always illustrated clearly...But it is still a great book for babies, and great for Jane Austin fans to read and get a chuckle out of.

I absolutely love these BabyLit books! They are so cute and smart, and a great way to sneak some classic literature into your kid's library! If you appreciate these classical originals, you will love these nursery spins on them! The Illustrations are so cute!

I purchased several of these for a baby gift and am super excited to give them to the new mama. The illistrations are fun and the subject is spot on for lovers of classic literature.

This is one of our favorites! Clever illustrations and it's as fun for the parent as the kid.

Love it!

This book is so cute! If you are a fan of Jane Austen and have small children I think you would really like this. I got it for my 2 year old niece and my she loves it. My sister and I crack up over it too.
