Customer Reviews

Dear Dr. Block, this book bundle was one of the best. I would like to start by saying that this was super cheap for three minecraft books. Everything else about this was worth it, too. I really liked this epic book bundle beacause all three books were super fun to read. The first one was my favorite, obviously. Creeptastic was a heartwarming story about a creeper trying to save Steve’s life. This story was like a dramaish story, wich I definitely enjoyed. The second was more of an action story, with "Swirly" with his friend Josh or something trying to help Domino the skeleton horse. The most action in this one is when Quick is trying to escape with Swirly and Josh or something. That was

EPIC!!!!!!!!!!!!!!!!!!!!!! The last story was more of a mystery, with Steve as a werewolf but not knowing it. The best part of this was the part when Herobrine and his montrous wolf came along and told Steve that he was his slave. The problem is resolved when the villagers build a dungeon for Steve to be in every full moon. This bundle was the best because of all the different aspects of each book. Drama, action, and mystery. That is the main reason, and the side reason is how awesome the books really are. Keep on making more awesome books! Sincerely, ScorpCraft / MantisFang / EpicDrago / SnailMMSHere is a chicken with a super fluffy tail.
