## Synopsis

Boo! HereÃ¢â ¬â„¢s a treat, and thatÃ¢â ¬â„¢s no trick: the ultimate guide to the most spine-tingling, family-friendly Halloween ever!This fun collection takes the best ideas from Country LivingÃ¢â ¬â„¢s most successful Halloween titles, and combines them with fabulous new suggestions for celebrating the holiday. Choose from more than 40 pumpkin-carving and craft projects, plus party tips, menus with 50 delicious recipes, and six adorable childrenÃ¢â ¬â„¢s costume patterns. From making a spooky jack-oÃ¢â ¬â„¢-lantern to baking a devilish chocolate cake (and decorating it with our die-cut cover stencil), these unique and fun ideas will appeal to millions of Country Living readers and Halloween fans.Ã Â

## Customer Reviews

I have the other two halloween books from Country Living and when the description for this new book stated that this book contained the best ideas from the previous books and some new ideas, I was hoping for some more ideas from the magazine and web site, but no, I found only a few new ideas. So if you have the previous books too, I do not suggest you purchase this one...BUT if you do not have the previous books, then I would describe this book as having a lot of fun "family-oriented" ideas for a calm, clean, crafty autumnal holiday!

This is such a great book full of ideas, fun, recipes, decorating tips, you name it -- I actually got it from the library initially, and it was so good -- so many bookmarked pages, I just had to get it for my

family and household for all the Halloween's to come. I even used some of the recipes for Thanksgiving, like the sweet potato biscuits.

My favorite book. I had to purchase it. I would check this out at the library all year long. I wanted my own copy. So I finally bought it. Very best desserts and food recipes.

If you love Halloween this is the book to have in your collection. Beautifully illustrated, easy to follow craft projects and cooking recipes. My favorites are the Apple & Sage Roasted Chicken, Jack O Lantern cookies & most of all the Maple Pecan Sweet Potatoes. I have looked for years to find that one special book that has everything it in. This book does. Don't pass this one up. This year I will be making the Skeleton Luminaries. Happy Halloween.

I had a very unpleasant live chat with a customer representative, since that was so unpleasant, it will stick in my mind, and I will be telling EVERYONE I KNOW what horrible customer service I received, I believe the customer service rep was Monica. It will be a long time before I shop on this site. That's how upset I was.

Love Halloween...and love the book. One of my favorite times of year is fall, and this is one of the most fun things in the fall, so I love to look through these books and get new ideas for decorating, cooking, baking, etc. Great ideas in this one....highly recommending to all my spooky friends!

Rewrite of previous magazine articles and excepts from the last book. This a good book for someone who doesn't already keep up with Country Living.

This book I am adding to my Halloween collection many of the ideas are original I appreciate the easy to use instructions as well.
