This book was required for my son’s school band.It is well enough made that it has survived most of the school year intact and looks like it will last for much longer. With my 10 year old- that’s saying a LOT.

Great book super easy to use. My son loved this edition. Packaging was great and the order came quickly.

This book costs twice as much through the web site our school recommends us using! I cannot imagine paying more for something they would only use for one school year. This was shipped fast and arrived in mint condition! Saved the day!

book for my son’s percussion and i thought it was very good.

Great shape, with CD!

Just what my daughter needed and less then what the school wanted for the same product. Very Happy

This is the preferred method for band instruction.

I bought this for my son for his band class. It was exactly what his teacher wanted him to have.
