THIS BOOK WAS A GOD SEND! I PURCHASED THIS BOOK FOR A NEW TESTAMENT CLASS THAT I WAS TAKING AND WHAT I LOVED ABOUT THIS BOOK IS THAT IT IS SO EASY TO

READ AND UNDERSTAND! I REFER TO THIS BOOK FOR MOST OF MY QUESTIONS REGARDING THE NEW TESTAMENT AND THE LETTERS THAT MAKE UP THE NEW TESTAMENT. THIS IS ONE OF MY FAVORITE BOOKS HANDS DOWN! I ALSO LOVE HOW THIS BOOK DOES NOT JUST COVER THE NT BUT THE OT AS WELL! IT HAS PICTURES WHICH REALLY HELPS TO ENCAPSULATE THE THEMES AND INFORMATION PRESENTED. THIS BOOK IS ONE OF THE EASIEST READS I HAVE EVER READ AND IT HAS ENHANCED MY UNDERSTANDING OF THE BIBLE IN WAYS I COULD NEVER ARTICULATE, I LOVE THIS BOOK AND WOULD DEFINITELY BUY IT AGAIN!

This was very helpful and informative for my New Testament Survey Class. Great for those who want to know background information about life during Bible times, as well as key characters in the Bible. The maps and the timelines were clear, concise and useful. I recommend for pastor, Bible students, and the layman who want to deepen their understanding of Bible times.

The start of this book comes out great with some overall info about the Bible, and then most of it is broken down into each book of the Bible with inserts from other writers and just random thoughts/information about different verses or chapters. While some of it was enlightening, I was unimpressed with a fair bit of it (not all of it, but more than I would expect from a book entitled "Handbook to the Bible." For instance, I thought a lot of the information they put forth as gospel truth was much more up to interpretation. For a new Christian, this book could be confusing or misleading as some of the generalities and articles are not entirely Biblical.

Good resource.

I chose this book for my New Testament Foundation graduate class and I have found very useful information to meet the requirements of the class assignments. It is easy to read and written in a way that keeps my interest and pictures to bring to better understand the information.

Our Pastor has used this book in our Weds. night Bible studies. I like the fact that we have an extra resource to look things up, Maps, commentaries etc. It brings the Bible to life when you can read something about the times of Jesus and therefore understand more of the context.

As a theology student this book has a wealth of information that I need but it also has amazing

pictures that bring the Bible to life. My three kids (ages 6 - 12) love looking at and reading this book too. It is a great tool!

This book is a great overview of the Bible and helps in providing some historical context of some of the scriptures. It is, however, rather brief, so not great if you're going to try to read it instead of the Bible. Great to accompany the Bible or remind you of the chronological order of things if you've already read the Bible!
