Synopsis

The Seventh Edition of Fundamentals of Modern Property Law retains the highly successful problem method that has long characterized this landmark casebook: students take on the role of the lawyer in fact-rich hypothetical problems (Assignments) with multiple legal issues. Each Assignment builds studentsÃ¢â ¬â„¢ lawyering skills of analysis and problem solving, as they master the fundamental principles and doctrines of property law. In addition, many Assignments are ideal for instructor-designed simulations of other professional skills, such as client interviewing and counseling, negotiation, oral advocacy, drafting, and objective and persuasive writing. The Seventh Edition continues the bookÃ¢â ¬â„¢s emphasis on emerging issues of environmental sustainability. The Seventh Edition also provides a comprehensive introduction to Intellectual Property law and emphasizes the art of planning to avoid controversy, in contrast to the typical first year curricular focus on resolving existing controversies.

Book Information

Series: University Casebook Series

Hardcover: 1536 pages

Publisher: Foundation Press; 7 edition (March 17, 2017)

Language: English

ISBN-10: 1609303261
