Will be loved by F4 Phans, but we hunger for future editions of the many colorful F4s. 15 F4s are drawn in 4 views (both sides + top & bottom views) on 41 pages from USAF 3, Germany 6, Japan 3, Greece 1, Turkey 1, Israel 1. Further editions would benefit from a photograph of the F4 and information on (if known) background info on the scheme. Also, those many many stencils that cover the F4 could be left off in the artwork. I can’t imagine an artist getting them 100% right.
