Came fast. Perfect condition. I ordered this to help me write subtitles on the video of a local production I was placing on YouTube. FYI - this is an edition published in 1954 which aims to rhymn the English translation, taking some liberties with a strict translation. Act 2 from Quand m'en vo' - And then I savor keenly, That intense desire, Which is burning in their glances, And proudly show my ravishing attire, With enchanting appeal! And when the wave of fervent longing, Invites romances,

I bought this for two reasons. First, this is my favorite opera. Second, I am studying Italian and wanted to use this to help in learning the translation. The English translation is pretty bad. Even the few words I know I can see don't match up. At least I have the Italian so I can understand what is being sung as I listen and read along.

It was bought as a gift for my 13 year old granddaughter who will be going to the opera with us in January. Hopefully she will read it and understand the story before the opera.

These shears are very durable and made of high quality material. good product with high quality.

this price is valuable. my family , This product cuts through bread like a hot product through butter. Great product!
