Customer Reviews

Welcome to the first editon of Lee Middleton Original Dolls Price Guide. It lists over 500 of today's most highly collectible limited edition vinyl and porcelain dolls which were produced from 1981 through 2000 dolls by Lee Middleton Original Dolls, Inc., in Belpre, Ohio. Prices quoted throughout this 2000 Price Guide are actual prices realized from the sale of Lee Middleton Original Dolls sold through doll auctions around the country and through dealers and collectors who buy and sell these dolls. The term "Secondary Market" refers to the buying selling or trading of a certain collectible, most often for a price other than the original retail price. Prices quoted in the Secondary Market reflect the demand for the specific doll. The factors of supply of a doll weigh agains collectors' demand for a doll. Thus the Secondary Market price can be higher than the original retail price but at time can be lower.

It was very helpful I just wish there was a second version that covered dolls after the years in the book.

This book is surprisingly organized for such a vast amount of information. It is specific information about lee middleton dolls, but does not include the work that is being done to preserve her work. For example, it doesn't include Lee Middleton with Reva.

I didn't realize when I purchased the book that it did not go all the way to the present date of 2014. It stops at 2000. I need a book to go past 2000., I am having a lot of trouble finding one. It is very helpful for the dolls it does have in it tho.

I have recently become a lee Middleton doll collector and this book has helped me identify some of the dolls I have purchased that did not come with a certificate but did have original clothing. I just wished the booked covered the dolls after the year 2000.

Just what every Lee Middleton doll owner needs.

Great reference..

I found this book to be very useful in identifying several dolls in a collection I am trying to value. Since the guide was already 11 years, I only had a starting point. An updated price guide would be greatly appreciated.

was the one I was looking for
