Synopsis

What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. Customer Reviews

"True Woman 101: Divine Design lays a beautiful and thorough biblical foundation for the topic of biblical womanhood. I highly recommend it for any woman serious about displaying the glory of God in her distinctive role as a woman." ~ Mary Delk, Minister for Women, Bethlehem Baptist Church, Minneapolis, MN"A must-use resource for every congregation in North America. In a culture where diversity is celebrated, the beautiful diversity of biblical manhood and womanhood has been marred and discredited. My dear friends Mary and Nancy reclaim the true picture of God and His love for humanity as seen in His design for our womanhood!" ~ Dannah Gresh, bestselling author and founder, Pure Freedom"One of the best compliments a woman can receive is 'She feels comfortable in her own skin.' I want to be that woman, don't you? If you do, then True Woman 101 will help you become her! As you learn about and embrace God's design, you'll get a dramatic makeover from the inside out and will transform your womanhood into something you're far more than just 'comfortable' with; something worth celebrating!" ~ Jennifer Rothschild, author, founder of WomensMinistry.net and Fresh Grounded Faith Events"The Lord has given Mary and Nancy a message for women that clearly defines womanhood, how she should live, and what purpose God has designed her to fulfill. If you are a woman anywhere between 18 and 108 this book has a specific and personal message for you!" ~ Debbie Stuart, Director of Women's Ministry, Prestonwood Baptist Church, Plano, TX"Identity definition and design - God's design - are increasingly minimized if not ignored. We are building a legacy of gender competition and confusion. But God has called us to embrace and celebrate who He created us to be. That's why this resource is such a timely, wonderful gift. This eight-part study will refresh and encourage your heart. This liberating stuff!" ~ Dr. Crawford and Karen Loritts, authors, speakers; (Crawford) Senior Pastor, Fellowship Bible Church, Roswell, GA"Knowing how God has uniquely created women is key to the decisons I make in almost every area of my life. I am so thankful that the Lord has equipped Nancy and Mary to bring to life the timeless truths of Scripture 'for such a time as this.' If you are desperate to know how God's design is meant to play out in your choices, don't pass up this treasure!" ~ Dr. Juli Slattery, author, family psychologist, cohost for Focus on the Family"True Woman 101 is a discipleship resource that combines biblical principles of womanhood with practical applications. The daily readings make you feel as if you are sitting at your kitchen table having coffee with Mary and Nancy. These Titus 2 women take us to the grace of the gospel. They show us Jesus, the One who transforms us into true women." ~ Susan Hunt, author, speaker, Women's Ministry Consultant for PCA Christian Education Publications"True Woman 101 gves women what they chiefly need - an extreme makeover of the interior not the exterior! I appreciate the thorough content which drives home the message that true womahood is about emanating the beauty and grace of Jesus Christ

for the glory of God. When a coaltion of humble, intentional women begin to radiate from the inside out, the world will sit up and take notice that the gospel isn't phony, it's the real deal." ~ Leslie Bennett, Director of Women's Ministries, Northeast Presbyterian Church, PCA, Columbia, SC"The True Woman study provides something every modern woman needs: a wake-up call and practical help to live life as a woman of God, rather than (without realizing it) as a woman of the culture." ~ Shaunti Feldhahn, author, speaker, columnist --This text refers to the Paperback edition.

I just finished taking a group of women through this book. I had high hopes for it-- but should have gone through it ALL before setting off to take a group through it-- BIG lesson learned. I could go into detail but I found it highly redundant, boring/ lacked depth, left a lot to be desired in the search for what Biblical womanhood looks like in today's world. Though they stated God's design clearly and didn't back-down when speaking of headship in marriage (a much needed teaching for marriages today), and brought the reader/study participant through clear thinking on how we bring glory to God through His design of male/ female, after the 3rd chapter they just kept saying the same things over and over with a few new verses here and there. We continued with the study all the way through, though I knew people were losing interest at about week 4, but I used a lot of extra books/study material to put together a lesson / discussion time that could really take us into the Word. An aside,

we used the DVDs for the first 3 sessions and then the ladies just couldn't take it any more. I love all the ladies on their panel, but Mary kept talking over other people when they were trying to share and the talks on the DVD didn't really do anything to enhance the study. This was the group's first time being introduced to something written by these authors and I was afraid it left a bad taste in their mouth. After receiving much feedback,this thought was confirmed.

We are using this study for our Bible Study this year and the ladies love it. These two authors have written other books and they are some of our favorite authors. Even though this study was written in 2012 it is very prevalent for today. Any woman who struggles with her identity as a woman will really appreciate what these two authors share Biblically on the subject. You will know that God values you and His plan for you was intentional. The pages are nice and thick and very colorful. The questions are not that difficult to answer and yet they encourage you to read in your Bible. The Bible is our authority. Can't wait to get to the True Woman 201 Bible Study.

I thought this book would let me know what it looks like to be a godly woman, instead it focused a lot on what it does not look like. The first three chapter, and the last two were what I expected. Chapters four through six were a waste of time in my opinion.

Excellent Book! Truly changed my life... It offers lessons that are not widely taught or fully accepted in society. This book perfectly describes what a Woman's biblical design is and what God wants for us. I also liked that it provides insight into what a man's biblical role is. HIGHLY RECOMMEND this book especially for women who want to remove the social conditioning we receive on a daily basis and become who God designed them to be!

This book says true woman however, the outlying theme seems to focus on who we in relation to our husbands and men. I found it a bit dispointing in that respect.The video was not completely without good thoughts and opinions.

Doing this study with my small girls group! I went through it a few years back, and had learned a lot from it about how to be a godly woman. So now when I decided to start my own small group, this was the first book I thought of :) So far it has been a great blessing!

not that great to be honest....it's great for younger adults who are young believers trying to find their

identity in Christ

This has facilitated great discussion with a small group of friends [5 of us total]...the individual days are best taken as a WHOLE each week - very encouraging as it all builds on itself. The complementary videos on the site are also great! YOU GET OUT OF IT WHAT YOU PUT IN! Let's pursue godliness, ladies...we are the fragrance of Christ - life to some, death to others, and this study definitely helps to show the contrast of biblical womanhood vs. what the world is trying to tell is right/normal. We are DIFFERENT than the world, let's live like it!The only reason I gave a 4 was due to the odd formatting of the Kindle version. Wasn't bad, but compared to the actual, physical copy, I would recommend the physical one.
