Customer Reviews

Every teacher needs one of these record books! The price cannot be beat, completely worth it. We use an online record keeping program for grades at my school but this book is a perfect back up system.

This is so nice. really easy to use. I got this for my 7 yer old sister, because she pretends to be a teacher. She loves it and uses it everyday while playing teacher at home.Really great buy. Can definitely be used professionally. I really like it

Great for Attendance. I use this to keep a paper record of attendance for my middle school class. It cost me 4.99 with prime shipping so it was worth it for me to order online. Completely satisfied

For the price, it’s great. There are enough pages for me to be able to use the record book all year. I also like the perforated pages, so that I can write the students’ names one time. I prefer more lines per student, so that I can take attendance and put grades in for the date, but, as I said before, for

the price, it’s a good deal.

I love it I have waited so long to get one- I due have a new idea of how I would like to produce a new dew to my diverse range of instructional work

Also loved by our great niece. Put the Learning Resources Pretend & Play school Set Accessory and the Melissa & Doug Deluxe Classroom Stamp set all together and it made a great gift.

Good organozation but after used many time paper unhooked of spiralUnfortunately

Great book for playing school! My son loves playing school as a teacher and loves this book
