Marnie Fogg is a media consultant on all aspects of the fashion industry. Well made book. However it’s a very small book just being six 1/4" wide by six 1/4" height and 3/4"s thick. Every page a picture of fabric and in color. Someone studying fabrics of the 1950’s probably will like it. I wish it were more substantial myself to fit my own interest in textiles and vintage sewing.

Just a flat out awesome little book for the price. A treat to hold and look at. Beautifully bound. Great

content. Just awesome.

A great resource of retro designs. Great for building your own creative ideas.

This an abridged and smaller (physically speaking) edition of 1950s Fashion Print by Marnie Fogg which is an excellent book. It still has many of the great vintage print examples, but why did I buy both of these books, when the one would have sufficed. did refund my money when I contacted them, but a clarification should be made in the description.

Love it
