Synopsis

From a rare insiderÃ¢â ¬â„¢s point of view, Unveiling Grace looks at how Latter-day Saints are Ã¢â ¬Å“wooing our countryÃ¢â ¬Â• with their religion, lifestyle, and culture. It is also a gripping story of how an entire family, deeply enmeshed in Mormonism, found their way out and what they can tell others about their lives as faithful Mormons.

Lynn K. Wilder is a wife, mother, grandmother, scholar, and author with a doctorate in education. In her 12 years as a professor and researcher, and 20 years as a teacher, she has mentored thousands of students and has produced more than 50 scholarly publications, including two books on positive behavior support and a book comparing Mormon and Bible doctrines, 7 Reasons We Left Mormonism. Once a tenured faculty member at Brigham Young University, Dr. Wilder left in 2008 when she experienced a crisis of faith. --This text refers to an out of print or unavailable edition of this title.

I’ve seen Lynn and her husband, Mike, interviewed in person - and frankly they communicate better verbally than in this written version (book). Their story is amazing, really. If you YouTube Lynn Wilder, or her son Micah Wilder of Adam’s Road (his band) ... you will probably be spellbound if you’re interested in the subject. I was. I actually heard Micah first, and like the way he lays the story out. If you like what you hear, and want to hear more rabbit-trails of the story ... the definitely buy the

book.

Book was in perfect shape and shipped quickly. Spiritual honesty is so important. An excellent read exposing a flawed religious cult.

I received a defective copy of this book wherein the entire thing is printed backwards. The book starts with page 367 and ends on page 15. The pages I did read were engaging, but I have to send it back because I cannot read right pages, then left pages, and then turn the left page. The whole thing confusing.

Great book. Well written story with great referencing.

I had heard of Mrs Wilder and the Wilder family via Facebook and YouTube and I had to read her story for myself. Very insightful.very informative.. Mrs Wilder does a super job of " covering all the bases" .describing the very stark differences between the LDS church and Biblical Christianity. I couldn’t put it down !

interesting true story

great book

An inside look into the Mormon religion from a woman, now a Christian, who was a faithful church attendee and professor at BYU. This book is very informative and also very encouraging and shares in depth the true gospel of Jesus Christ. I would highly recommend it to all!
