Customer Reviews

Swiss is the business and she proves ot every step of the way. From the project princess to the Masion Queen she is f9re from the forst turn of the page to the final period on the las page. Now I may not be as street hood as she is but I definitely see how to become the boss in whatever I do.

This book will have you on the edge of your seat as secreats are revealed,, lives intersect, and whats done it the dark comes to light with the flash of the bullets that leave her side piece. This is a must read. And must be on your list of the hottest urban fiction literary works of art.

Swiss didn't hold em up at all, she was a straight go getter and didn't gaf! I can't wait to see what happens next!!

Swiss is my gurl she ain't having it. And she's going to get it by ANY MEANS NECESSARY. Boogie know he was wrong for having her out there like that. Ms. Jacobs needs to be dealt with cuz she can't take rejection. Courtney and Patience are the ride or die chic and definitely going to stick by Swiss's side. I hope Lacy get her self together for the sake of her kids. Finesse is the man and I hope he's what Swiss needs cuz she been through a lot and it is time for her happiness. I can't wait for pt.2

Where to began? Swiss omh she is not the one to mess with. Boogie was bogus as hell to have Swiss kill her own family even though she didn't know, and his mother use Swiss to gain her trust for a few years before she put her plan into motion to have her kill her birth mothers family. I can't stand a bitter female. Swiss is out for blood now that she knows the truth. With her girls by her side along with her new book Finesse she about to turn havoc in that city. Can't wait for part 2.

I absolutely love the novel. Omg from beginning to end it had me on the edge. I cannot wait for Part 2 this was a fabulous story line

This book was a page turner from beginning to end. I can't wait to see what fate has for Boogie & His mom. Where's part 2? I can't wait to find out the full history behind the madness.

This is a really good book she had a very hard life I hope she has truly found happiness... Can't wait for part 2

Another hard hitting read from the Queen! Street Lit at it's finest. This is the beginning of a series that you definitely don't want to miss out on. The makings of a female boss. All the drama and suspense needed to keep you captivated to the very end were within these pages. To say I enjoyed was a understatement. I'm lookin forward to continue this journey with the future installment.Mita
