Synopsis

Meet Lucky Jennings. Born and raised in Raleigh, North Carolina by a single mother, she's determined not to become a product of her environment. After watching her mom work tirelessly to support her, Lucky throws herself into her school work, graduating at the top of her class. Lucky isnÃ¢â ¬â„¢t comfortable around people and prefers to blend into the background, but once she encounters Shaleek Jordan, the shrinking violet begins to bloom.Shaleek Jordan had a hard life growing up, from parents who didn't want him, to bouncing around from foster home to foster home. At the age of fourteen, he ran away from his foster home when the abuse became too much. An angel was watching over him because one night while walking, he met a savior named Donna. She took him in, introduced him to her son, and just like that, Shaleek had a family.Even though Drizzy was skeptical about Leek at first, the two formed an unbreakable bond. Together, the two took over the streets, and had been running things ever since. Once Leek runs into Lucky, he's intrigued by the shy beauty. After a few chance meetings, the two form a friendship, but everybody isn't happy about it. Life threatens to rip the bond the two share completely apart. Can their relationship stand the test of time? Or will it all be too much to handle for Lucky? Find out if LeekÃ¢â ¬â„¢s love is strong enough to save Lucky from the demons that she will soon face.

Customer Reviews

I loved this book and it ended way too soon. Patiently waiting for the next part. I never expected that from Lucky and Leek has some demons he needs to get over.

I surely wasn't expecting this!!! Lucky shocked the crap out of me, who would have known that she would turn to drugs. I really hate Lennox because he introduced it, but Lucky should ha e been strong enough to look past that. I feel so bad for Shaleek because he going through so much right now but babyyyyy that Mercy monster I want her out of her misery by the hands of none other then Shaleek. I know for a fact that this Dirk and Shaleek beef gone be crazy. Last but not least I was soooooooo disappointed in Drizzy because I had high hopes that he would stay on the straight and narrow. If and when Baby Doll finds out it's gone be war. Kyoshi great job I really enjoyed.

This was definitely a good read. Lucky was doing so well I can't believe that no good Lennox would change her life. I'm praying Leek can get her the help she needs to be a great mom to those girls. Baby Doll and Drizzy are great friends a brother and a sister to Leek and Lucky. But thinking with the wrong head can lead to a world of trouble for Drizzy.

Really end the book like that??? Not happy at all. Onky reason why I gave it a four stars because the book ended at 87%.. However the story was REALLY good. I knew Lennox was going to be her downfall but I'm hoping she dont get hooked AMD leek found her asap... They are prefect for each other.. Omg and drizzy smh so through with him.. Why would he cheat.. Shyt is going to hit the fan in part 2...

This book took me through a loop, especially then last few chapters. I need to know ASAP what's next. Leek should have been honest with Lucky and vice versa. Lucky should have listened to her friend when she told her that Lennox wasn't any good. I hope part 2 isn't too far away. I'm rooting for Lucky

Well listen I loved this book it kelp my attention from the beginning to the end !! I just hope lucky kick
