## Customer Reviews

Did you know that Ozzy Osbourne is from Birmingham? I always thought he was born in the States. Anyway, we are going to Birmingham for my husband's cousin wedding , and I love purchasing

these travel guides and picking up places too see. Yeah, I know it can be done through a Google search, but I find it so awesome to read books when I need something. And this short guide was pretty helpful and offered some cool ideas to go and see. I wish it contained a section for kids though. But we will visit Twycross zoo for sure.

Fascinating, intriguing, well-written. For anyone who knows and loves Birmingham today, this book gives a new insight into its past in a fresh and lively style. Full of important and little known facts, it teaches you without being the flat and boring wall of text we've come to expect with history books. It's fun, quirky, beautifully detailed and involving. I cannot recommend this high enough. Seriously, it's an eye opener, and thoroughly enjoyable.

I don't have to peruse audits and tips from the web since this book has everything about Birmingham. It has been my fantasy to go around Europe and it's a decent begin that I now have an information around one specific place there. Birmingham is quite recently excellent in each corner, as per this book. Any explorer would love to visit the place as it was superbly advanced through this book! I'm cheerful I got this!

I'm planning to visit Britain soon, but I'm not sure which cities I will choose. One of cities that can be interesting is Birmingham and I grabbed this guide to know more about this city. Guide is made very good with a lot of sightseeing places described. It seems that Birmingham is a nice place to visit and I'll try to find time to go there.

Excellent travel guide! This guide is giving us a great idea of what we need to see and do when we visit to Birmingham later this year.
