Synopsis

Designed for reteaching, extra practice and other make-up work, this set of worksheets offers material that reinforces each lesson in Algebra: Structure and Method, Book 1. Features include vocabulary review, worked out examples, and cautions against common errors that prepare students for the practice exercises. The practice exercises then build gradually, following the worked-out examples. Short Mixed Reviews in each lesson build skill retention.

Very helpful and and in depth.

It’s great, good condition, my son liked it, very content with it.

I believe that the approach used in this book for a useful approach and it is challenging to learn but I’m still evaluating the results.

Good
