Product Dimensions: 8.6 x 1.5 x 10.9 inches

Shipping Weight: 5.4 pounds (View shipping rates and policies)

Average Customer Review: 3.8 out of 5 stars 12 customer reviews

Best Sellers Rank: #109,121 in Books (See Top 100 in Books) #82 inÃ Â Books > Teens > Education & Reference > Mathematics > Algebra #32897 inÃ Â Books > Textbooks

## Customer Reviews

Algebra text book

I bought this book because I needed to refresh my math skills. Also because it was so inexpensive. This is a very well crafted textbook. Granted I have already taken college level math, however that was a long time ago. With the examples in the book, I made immediate progress with my skills. It’s outdated but that is alright because math has no expiration date. I am going back to college in the fall to earn another degree but I need to brush up on my math skills. With this book I can connect to solving Algebra again! I feel so pleased with the progress I have made in the past month, with the help of this text.

The book was very clean inside and out, and arrived early.

In excellent condition

Exactly what I wanted.

It has good practice sheet. Gives my son a head start on several topics...

Book arrived as advertised.

I like to order extra books because the books these kids have to carry back and forth to school are very heavy. I ordered this bood as an extra to keep at home. The book is in great condition and I didn't pay for a new book. I bought used and it worked for me.

Was a good buy.
