## Synopsis

Many believe the Basque Country to be the home of Europe’s oldest race and surviving language. This is the first guide to bring together walks and tours in this region of Spain and France, which runs east from Bilbao to Biarritz and takes in famous places like Pamplona and stages on the Way of St James to Santiago de Compostela. The entire Basque coast is mostly very rugged, with many thriving fishing towns and villages, plus the added attraction of splendid beaches. Inland the countryside is more mountainous, with lush green countryside. Don’t miss the award-winning Guggenheim Museum in Bilbao, the Pilgrims’ Route to Santiago, the San Fermines fiestas at Iruna-Pamplona, or stunning coastal resorts like Donostia-San Sebastian and Biarritz. But most of all, explore the remote picture-postcard villages and lush mountainous countryside straddling both sides of the Pyrenees - preferably on foot.
