"Excellent book for a young person, who likes to doodle, and loves fashion. My pre-teen daughter is especially enjoying it!" - Cute Everything blog

Gemma CorrellÃ Â (www.gemmacorrell.com) is an illustrator originally from the UK, now based in Oakland, California. A graduate of the Norwich School for Art and Design, GemmaÃ¢â ¬â„¢s work

has a strong narrative basis, and she specializes in hand-drawn comics, characters, illustrations, typography, and pattern. Gemma has exhibited all over the world, and she was the recipient of a Young Guns award from the Art DirectorÃ¢â ¬â„¢s Club of New York in 2010. Gemma is the author and illustrator behind the quirky Ã¢â ¬Å“Doodling forÃ¢â ¬Â¦Ã¢â ¬Â• series.

Thought the book would be larger and did not think it was suitable for a 11 year old. It was for a much younger person.

Doodling for Fashionistas says itÃƒÂ¢Ã â ¬Ã â„¢s for the diva designer in you. The illustrations are quirky and cool, and donÃƒÂ¢Ã â ¬Ã â„¢t have any sign of pretension that diva might imply. The book includes doodle prompts and step-by-step exercises and work really well whether your creativity needs a bit of a nudge or youÃƒÂ¢Ã â ¬Ã â„¢re ready to full-out design some shoes. And themes include ÃƒÂ¢Ã â ¬Ã Å“highbrowÃƒÂ¢Ã â ¬Ã Â• items like gowns, as well as funny things like onesies for adults. Along with the many pages on doodling, many are also on other aspects of fashion like quizzes, and terminology on shoes and clothes. I received the entire series of six books as a gift and I love them! They are all very well-made with a high-quality cover that blurs paperback and hardcover. Fun for you on a rainy day or a great gift for a budding designer of just about any age. Maybe at least 12 or so. Fun stuff!

Doodling for Fashionistas is a fun and funny drawing book for young people. It offers examples and teaches simple doodling-level illustrations that anyone could draw and enjoy. The illustration style is one of cute abstraction, and is actually quite clever. It starts with basics ÃƒÂ¢Ã â ¬Ã â • like different styles of shoes ÃƒÂ¢Ã â ¬Ã â • and building from there, calls for using those skills, later, in more complex doodles. Excellent book for a young person, who likes to doodle, and loves fashion. My pre-teen daughter is especially enjoying it!

Bought this book as a gift for my 10-year old daughter who likes to draw. Her words, " I like it because it has lots of pugs in it and it’s cute and funny. Pugs."

If you like fashion and like to doodle then this book is for you! I love sketching ideas and coloring my favorite obsessions- clothes, shoes and accessories! There are lots of prompts and games in this book with plenty of room for your own creations. I bet every fashionista no matter what age would get a kick out of this pocket size book of fun.

Gemma’s wit and humor permeates every page of this delightful book. As someone who is more familiar with Gemma’s pug and kitty drawings, Doodling for Fashionistas shows that her drawings of people are just as fun and charming as their animal counterparts. Would make a great gift for a hip tween/teen in your life, as the book is well produced (unlike the many cheaply-printed activity books that flood the market). Very cute!

If youÃƒÂ¢Ã â ¬Ã â„¢re a fan of Gemma Correll, youÃƒÂ¢Ã â ¬Ã â„¢ll know that the words "fashionista" and "Gemma Correll" usually don’t go together, but that is why this book is so fun. "Design a wonderful, warm onesie" is one of the doodle prompts you can expect from the author of "A Pug’s Guide to Etiquette" and "It’s a Punderful Life." Gemma’s humor is what makes her books fun and funny. Highly recommend!

I thought it would be a fun gift for my 18 year old sister and she loves it. It reminds me of those Amelia composition books from childhood, except you get to color and draw in it. If you’re looking for serious instruction on how to draw, this isn’t it. But it is cute and fun and nicely put together.
