Synopsis

Use the simple yet extra powerful secrets of this book and discover your super-self to transfer your life!The person you are right now and the life that you have manifested to date is the product of your thoughts. If you think positive, feed good suggestions to yourself, believe in yourself and power through difficult times by thinking optimistically, it is likely youÃ¢â ¬â„¢re happy with yourself and content with your life. However, if your situation is the opposite of this, that is primarily because of your thoughts, feelings, attitude and behavior.The course of direction your life takes and the things you manifest are largely dependent on your beliefs. If you strongly believe in something, youÃ¢â ¬â„¢ll turn that thought or ideology into your belief which will then influence your emotions and behavior. For instance, if you believe you will become successful, youÃ¢â ¬â„¢ll strive for excellence and success no matter what the situation is, and eventually achieve what you want. This is known as the Law of Attraction (LOA) and if you want all your dreams to come true and strongly aspire to manifest good health, love, wealth, happiness and prosperity, it is this principle that you need to follow. This book lends you a hand in achieving this goal easily.These are some of the secrets this book reveals:Nurture A Burning Desire For What You WantHave A Vision Related To Your GoalPractice Positive AffirmationsSee Your Goal In Your MindÃ¢â ¬â„¢s EyeCorrect Your Body PostureAnd so much more!Hope you enjoy and learn from this kindle book!Limited Time Offer - Get this book for only $0.99!
