Synopsis

During Cleveland’s heyday, the world’s most influential businessmen, politicians and entertainers flocked to America’s sixth-largest city, enjoying the full hospitality of splendid hotels befitting a first-rate metropolis. Marked by architectural splendor, sumptuous design, technical innovation and world-class service, these grand palaces rose and fell with Cleveland’s fortunes. From Teddy Roosevelt dining under the ornate chandeliers of the Hotel Hollenden’s famed Crystal Ballroom to Bob Hope and Jack Benny cracking wise at the Alcazar’s bar, Michael DeAloia adds atmosphere to seven of the most elegant and inviting Cleveland hotels to emerge in the early twentieth century. Only one of these legendary establishments hosts guests today. This revealing chronicle recaptures the golden age of Cleveland’s power and prestige.

Customer Reviews

Michael DeAloia is currently the tech columnist for the Cleveland Plain Dealer. He earned his MBA from Case Western Reserve University and his bachelor’s degree from Xavier University. He is the author of Lost Cleveland, "? a short history of some of the leading architectural wonders of Cleveland, which was published by The History Press in 2010."

I gave the book as a gift to my friend who loves to read about the Great Old Days when Cleveland was actually more important than NY. He thought that the book was a great read - filled with stories that he had never heard before.

This leads us down a path that many have forgotten, even with the buildings that are still standing, most of us don’t stop to think about the history of them. Mr. DeAloia did a great job as usual, thank you.

Must read

If you’re from CLE and like Cleveland history, it’s a fun read.

of course it is awesome, it is about Cleveland!!!
