Synopsis

The workbook portion of the SAM includes the Pratica del vocabolario e della struttura section, to be completed after studying the corresponding text material, which provides reinforcement practice of the lesson vocabulary and grammar topics individually. The Pratica della comunicazione section, completed at the end of each text lesson, contains open-ended and communicative exercises to integrate the lesson material.The lab manual portion is designed for use with the SAM Audio CD Program. Written and oral exercises reinforce lesson structures and vocabulary and provide additional pronunciation practice. Also included are the dialogues from the text and numerous activities based on conversations, recorded messages and announcements, and descriptions to help students develop listening comprehension skills.

Joseph Tursi is professor emeritus of Italian at Stony Brook University. He also has been chairman of the department of French and Italian, director of Teacher Training in Foreign Language Education and director of the Doctor of Arts in Foreign Languages Program. He is past president of several professional language organizations on the local, state, and national levels, including president of the National American Association of Teachers of Italian.Brian Rea O'Connor received a master's degree in two Romance languages and a Ph.D. in Medieval Studies from Boston College. He coordinates all language-level Italian courses and teaches a variety of courses in Italian language and culture at Boston College. During the summers, he takes a group of students to Parma, Italy for intensive language courses.

The exercises are good & plentiful, but lack of an answer key is not helpful.

Item was received within a week of purchased which was great since I did need it that same week. Item was new as described. well shipped also not damaged or anything. would purchase again from this awesome seller. and would recommend to all.

excellent. very helpful

i needed this specific book for school i needed a certain edition and this book was exactly what i needed! fast delivery too!

I got this workbook for a course. It was mandatory text. Seems great so far.

This is the fastest i probably ever got a book. it was here in less than 48 hours which was remarkable! Brand NEW so obviously it was in EXCELLENT condition!

The book was delivered in an outstanding shape and better than it was described as slightly used. I prefer books untouched by human hands and this one came as close as possible to my criteria. I appreciate that!
