Synopsis

This highly informative monograph offers a comprehensive and interdisciplinary reference guide for the management and treatment of the whole spectrum of painful tears in the anus and anal canal. Based upon a systematic review of all relevant papers on the topic since 1865, it addresses primary, acute and chronic anal fissures Ã¢â ¬â œ providing a new definition of the last form Ã¢â ¬â œ and secondary anal fissures in detail, particularly their medical history, etiology, signs and symptoms, medical findings, therapy and its evaluation, and differential diagnosis. The book also covers all available evidence-based therapeutic strategies. As such, it will appeal to a wide readership, from proctologists and surgeons to gynecologists, urologists, dermatologists and gastroenterologists.

Customer Reviews

This highly informative monograph offers a comprehensive and interdisciplinary reference for the management and treatment of the whole spectrum of painful tears in the anus and anal canal. Based upon a systematic review of all relevant papers on the topic starting from 1865, the book deals with the primary anal fissure, acute and chronic - with a new definition of the latter one provided - , and the secondary anal fissure in every detail, particularly its medical history , etiology , signs and symptoms , medical findings , therapy and its evaluation, differential diagnosis. Ã Â It also covers all available evidence based therapeutic strategies. This book will appeal to a wide readership, from proctologists and surgeons through gynecologists, to urologists, dermatologists and gastroenterologists.

Prof. Dr. med. Volker Wienert is a dermatologist, and served as head of the Department of Phlebology at Aachen University Clinic (RWTH) from 1986 until his retirement in 2004. Prof. Wienert is the author of several proctological and phlebological medical textbooks, and currently serves on the boards of several professional societies, including the German Society of PhlebologyÃ¢â ¬â„¢s Committee for Practice Guidelines (as Chairman), the guidelines commission of the German Society of Coloproctology, and the Quality Assurance Subcommittee on Proctology and Phlebology of Dermatology). He is also an Associate Editor of the journal Coloproctologie. Dr. med. Franz Raulf is a surgeon, and was head of the ColoproctologyÃ Â Department of the Rafaelsklinik MÃƒÂ nster from 2007 until his retirement in 2013. Dr. Raulf is the author of a number of proctological medical textbooks. Dr. med. Horst Mlitz is a proctological practitioner. Having retired in 2016, Dr. Mlitz has also authored a number of proctological medical textbooks.
