Synopsis

Established for over 15 years as Ã¢â ¬Å“the gold standard in its disciplineÃ¢â ¬Â• (JAMA), Dr. CormanÃ¢â ¬â„¢s best-selling classic is now in its Fifth Edition. This encyclopedic and abundantly illustrated text provides comprehensive coverage of all diseases and traumatic injuries affecting the colon, rectum, and anus and offers step-by-step instructions on every operative procedure currently used to treat these disorders. The book also includes thorough reviews of anatomy, physiology, and related medical topics and an extensive section on diagnostic studies, particularly ultrasound and other radiologic imaging modalities. More than 1,300 illustrations, many new to this edition, complement the text.

Customer Reviews

Bravo! Excellence in every aspect, Dr. Corman’s thorough coverage and clarity transcends all other publications covering colorectal surgical procedures. Bravo, also, to illustrator L. Barnes. Beautiful illustrations! (Never thought the day would come when I’d refer to anything colorectal as ’beautiful’!)

Newly expanded with greater emphasis on techniques and very current references (1997). Dr. Corman review the current data in a concise fashion and then adds his opinion clearly labeled as such.

This book is really a collection of valuable information.Thanks to Marvin L Corman.
