Synopsis

My history lessons in school started with European travelers and settlers, then on to the under-ground railroad, finally ending with the civil rights movement of the 1960Ã¢â ¬â„¢s. That was the extent of what I knew about Ã¢â ¬Å“meÃ¢â ¬Â•. As I got older, I began to inquire about everything related to being black and it became an obsession that got de-railed over a million times by confusion over religion, politics and guilt that in my pursuit of Ã¢â ¬Å“knowledge of selfÃ¢â ¬Â• I was somehow separating myself from non-black people. One day, I woke up and realized that I had fallen in love with who I really was through the study of my ancestors. It took me forty two years but I donÃ¢â ¬â„¢t want it to take that long for anyone else! This story is for anyone and everyone of all ages, but most specifically, children who are currently being introduced to American History subjects in school because I truly believe it will help to fill in the missing pieces and help to paint a picture of our complete heritage, not just what is presented in school. With so much love and respect, I dedicate this to all of the descendants of Africa. I hope you enjoy this story about a girl, receiving a beautiful lesson through a loving conversation with her father. Renee Rochelle

Customer Reviews

The History of Me is a awesome reference for kids and adults !. After I read The History of Me, I passed it on to my three oldest daughters. They LOVED IT!!!!! My girls were so surprised to know that there was so much more to there ancestry that they could be proud of. I even learned alot from reading the book myself. I will be giving copies of The History of Me to all of my daughters teachers this year. This book is a MUST read!!

I think this is an excellent read, I wish there was a way to give it more stars. The way the author is able to convey the history of African history to the child without being extremely graphic is a spectacular way to help parents teach their kids. I urge everyone to pick up this book!

Book was a great look into the history of African American Slavery that can be comprehended by small children! Love it!

This is a real easy and true history book, all kids should have one! The author was right on and very professional. Job well done!

I Recommend this book

Fantastic read for all ages!

Excellent, thanks

I absolutely LOVED The History of me! Definitely a great way for kids to learn about themselves. Ms. Rochelle explains a harsh, hard subject (slavery) with sensitive care for young readers!! Kudos!!
