THE EDITORS OF THE AMERICAN HERITAGE DICTIONARIESÃ Â are a team of professional lexicographers with advanced degrees in various scholarly fields. The editors familiarize themselves with the vocabulary in specific subject areas, collect materials on new developments and usage, and work with expert consultants to ensure that their publications are accurate and up-to-date.

A great addition to my dictionary. Very handy to have when you start to question yourself about the spelling even when you know the meaning.

I always have to do things on a budget, but wanted to get the best spell checker I could.I wanted the oxford spell check, but I don’t have that kind of money, AND I didn’t care about definitions.But I love this one. inexpensive, 40,000 words, accents, word division and shows past and future tense on a lot of them.

When I don’t have my spell check working on my computers this works great...yet it would be better

to know how to spell.

This is a spelling book on steroids. When a word has more than one spelling and more than one meaning, notations fill the void. Similar sounding words are explained. Words are divided into syllables. This simplifies pronunciation. This is an excellent reference book when English is your second language.

Quick reference. Handy size. Print is easy to read. Perfect for those times that you are not near the computer, and just need to be certain that your spelling is correct. I actually keep this in my kitchen drawer.

A fine little book that I can use quickly when I am composing copy for my new book. Always remember: "Typing is easy once you get the hanj of it."

I keep this book near my computer to help me check spelling of difficult words. when I compose something. I have spellcheck on my computer,but I like to look up spellings.I remember them better that way.Inexpensive and thorough book.

Words much easier to find.
