Customer Reviews

This was the book we used on our first visit to Walt Disney World. I purchased it because I remember listening to innumerable travel reviews by the late Steve Birnbaum on the radio. He was a well-informed and thoroughly dedicated individual with a pleasant personality. We would never have gotten around Walt Disney World without this book. If you have never been to Walt Disney World I recommend that you really get a copy of this book or the most current version of it. If you really enjoy Walt Disney World like we did you may want to hold on to your copy of this book. It is just as much a souvenir as anything else you may purchase on your visit. This book holds fond and cherished memories for my family.
