Synopsis

Kaycee Jean McCoy has lived her entire life in Sunshine, Tennessee. Sweet tea flows through her veins and Ã¢â ¬Å“yes maÃ¢â ¬â„¢amÃ¢â ¬Â• is ingrained in her DNA. In Sunshine, going to church is basically mandatory, and gay had better be your mood and not your sexual orientation. Kaycee may not agree with the townÃ¢â ¬â„¢s socially accepted bigotry, but sheÃ¢â ¬â„¢d rather fit inÃ¢â ¬â •even if it means letting gross Dave Bradford kiss her on occasionÃ¢â ¬â •than make waves. That is, until the beautiful, sexy, impossibly cool Bren Dawson moves into town. Kaycee is swept up in a whirlwind of exciting new emotions and lets her guard down. One night under a fat country moon, KayceeÃ¢â ¬â„¢s best friend catches them kissing, and her whole world goes to hell in a handbasket. What is Kaycee willing to risk for the sake of love? And what will she risk for acceptance?

Customer Reviews

This book made me so happy! I love to see a f/f romance that isn’t a tragedy or an "issue book". This is a sweet romance and a story about a person discovering and living as her authentic self.

Fantastic setting and engaging characters, I enjoyed this book from beginning to end. YA needs more books like this one!

I don’t normally read YA. But this has left me speechless. I cried, I wanted to punch someone, and I cheered. I really loved the storyline. I am glad that there is a book out here for young adults who are trying to find themselves in small towns or big cities. I also thought all the characters were believable. I definitely recommend this book.

This is my Favorite LGBT Book. I related to the characters so much. I live in a small town (bible belt) and the people here are exactly like the people in the book, ignorant... I’d have to say Bren was my favorite character because of her self-confidence. And Van for being the best friend most never get... I will definitely be reading this book again. Im a sucker for happy endings

I jumped in blindly with this one and I can safely say I deeply underestimated it. I loved this book and was really surprised with how interesting the plot is.It’s great that it takes place in the south and how Bren’s character brings diversity to the list of characters.Though it was a little predictable, it went over my expectations.

Enjoyed reading this book from first page to last . Couldn’t wait to see how it ended..This is a book that I will read again.

I got the book for my 17 Yr old daughter. I was between books and read it myself. We both loved it!

This was a very eye opening book. I’m glad I took a chance on it

Awesome book. Written very well. Finished reading this in 2 days. Wonderful story.
