Dennis Aprill is a lecturer in Journalism at SUNY Plattsburg. A New York State Outdoorsmen Hall of Fame inductee, he is the author of Paths Less Traveled, Short Treks in the Adirondacks and Beyond, and Good Fishing in the Adirondacks.

The book is an update of one written a number of years ago. Various items in fishing and regulations are constantly changing and new things develop as time goes on. It is well written and very informative. I would highly recommend it and one who is not too familiar with Adirondack fishing would get a good foundation in this book.
