Customer Reviews

An ok map of the Myrtle Beach area. Map is good for the Myrtle beach area but small size has you turning the page often to follow roads so would be good if was a bit larger.

As advertised...arrived quickly. Only complaint is product description did not give date of publication. Some of the maps are out of date.

As far as I can tell the atlas depicts the area well. No problems with the shipping etc. The only problem is that the print is very small.
