Customer Reviews

I truly enjoyed this book. I would have preferred more sexual steam because it lacked in that department but the last part, lets say act 3 brought this book down a star. It was stupid, just made no sense and you don't get a summary or epilogue so it left everything undone.

The story of Asa and Elizabeth is truly emotional and heart warming. With action that keeps you captive until the end!

This was my favorite of all the Promises series. Loved, loved, loved Asa and Elizabeth. Very steamy, sexy novel. Very loving devoted couple and a great writer bringing all the story together in a wonderful way.

Promises Lingered (Promises Series-3 books)By: Sarah McCartyBook ONE, Then Promises Keep, Promises Prevail. This series starts in 1869 Wyoming Territory and is what feels to be a very authentic period piece, like her other series HELLS EIGHT (which got all 5 stars) . I thoroughly enjoy the cowboy way, and the proud ways of the time, This author is a very good writer, and I wasn't disappointed when starting the new series, because in some ways it felt the same, yet a much different story line, you'll still get the steamy sex (yes, Erotic) although you may have to wait a hint longer than you want (worth the wait) I can't wait to dive into 2 & 3.I do have to say....I would start with the Hell's Eight Series first, it's more of a page turner, this was a comfortable pace!

From the beginning I could not put this down. Elizabeth and As a was perfect for each other. They had the ups and downs but thru love prevailed. I would suggest you all if you like Sarah McCarty books read this one you will not be .disappointed

One gunslinger, one jilted bride and a not so stupid ex husband. What ensues is complete mayhem! Asa was looking for a home to call his own, Elizabeth was looking for a man to call her own preferably a man who lite her fires! Along the way both heal their hearts and find the true mean of what it is to love! This is the first book I have ever read by Sarah McCarty stunning!

I don't understand why this book had such high reviews. I couldn't even finish it and I love books like this. The banter between the characters was just annoying and there was no real chemistry. I'm all for a good sex scene but these were just unrealistic and the way he spoke was gross...I returned for a refund don't both!

Asa has his work cut out for him when he agrees to marry Elizabeth and save her ranch from foreclosure. Elizabeth has her work cut out for her when she takes Asa on as her second husband

in as many days. Promises Lingers takes the reader on a tug-a-war between the prim and proper Elizabeth and Asa, who knows what he wants and what it will take to get it. This story is full of attitude and heat and was tough to put down until the end.
