Synopsis

What was that noise?SammyÃ¢â ¬â„¢s new home is everything she dreamed of, but itÃ¢â ¬â„¢s definitely not what she expected. Things go bump in the night, and Sammy has to figure out if there is a ghost haunting her or if itÃ¢â ¬â„¢s something more sinister.Everything in SamanthaÃ¢â ¬â„¢s life seems to be coming together and falling apart at the same time. SheÃ¢â ¬â„¢ll have to solve the mystery of Overwatch house before the unknown consumes her.The final fight is one that will change her, and those she loves, forever. Will Sammy find the conviction she needs to survive her worst nightmare?Devil Hour is a cozy ghost mystery/horror with no explicit scenes or gore. ItÃ¢â ¬â„¢s rated PG-13 for frightening themes.

Customer Reviews

Now don’t get me wrong. While I like B movies, Scream being my favorite, this book is creepy like a B movie but misses the mark.If the author would have just filled in a little more of the story and not bounced around so much it would have been a good read.No character development and no real

setting.Maybe next book will be better. Sorry to say, unless it’s a freebie I’ll pass.

This is a fantastic short ghost story.Following a college girl in her first apartment we are shown some of the stressor that go with college life. When a girl is asulted in dorms Sammy looks for off campus housing. She finds an old house split into apartments at a cheap price.Strange things start to happen in the house, and to Sammy.Fantastic story cannot wait to read book 2

Scary ghost story, very well written. A fast read, exciting and fun.

This is an easy afternoon read. The characters are likable and the main character is typical of this genre. I would recommend it.

Wow, no sex drugs or rock and roll but is scary as all get out. Great read for all ages. Just make sure they know it is scary!

Good read

Fine, enjoyable paranormal mystery.Samantha is a college girl that wants to move out of the dorm into her own house. With help of her parents, she purchases one half of an old house and gets her friends to help her move in. But the house is not all right. There is some paranormal presence residing, creeping Sammy out and driving her into insanity. Determined to solve the mystery, she does some digging in the past and even buys a cat to not feel alone in the house. Eventually, she gets an idea what might be disturbing her peaceful living.Nice and quite fast-pacing story, with enjoyable characters and slight romantic entanglement. I liked the general atmosphere of the book, the feel of unnatural presence in the air, creating tension and drama in the whole setup. The characters’ personalities were a bit pushed into the background, though, except for Sam, and their development sometimes too abrupt. I was also bothered by the typos and errors. Sure, I have read an ARC version, but I experienced the same issue also with previous books that I purchased directly.Nevertheless, I enjoyed the story, and decided to provide my honest opinion voluntarily.

Truthfully, this thing is a little too well written. At first, you think the story telling atmosphere is poor writing, but let me assure you, it is not. For whatever reason, this story creeped me out more than many stories out and out labeled horror. And that chatty style? Somehow it contributes to the idea

that this thing really happened. I have one rather large pick with this story. It is definitely NOT a cozy ghost mystery. Anything less cozy can't be imagined and there isn't a ghost in sight. This is horror. Reader beware.
